We're seeking volunteers to help share the FANA fun! Activities include helping with newsletter distribution & helping spread the word of upcoming events.

Let us know if you're interested by using the contact info above.

## Your Neighborhood Association

The Fisk Addition Neighborhood Association (aka "FANA") was established nearly a decade ago and in that time has coordinated numerous events such as the annual rummage sale; wine cheese and chocolate, and through the newsletter that's delivered on your doorstep 4x/year.

Our mission is to "preseve the easy friendliness of the Fisk Addition's early years, with the open doors of responsible citizenship, comfortable relationships, evenhanded watchfulness, prideful stewardshpi and charitable understanding".

We look forward to carrying out this mission, and as always - we welcome your feedback, including needs that you recognize in the neighborhood, events you'd like to see or to answer any general questions about the neighborhood.

VIBRANT. HISTORICAL. CONNECTED. HOME.
