Proposed Amendment to the
City of Green Bay
Smart Growth 2022 Comprehensive Plan
(CPA 13-01)**

The City of Green Bay Plan Commission will hold a public hearing on Monday, June 24, 2013 at 6:00 p.m. at City Hall, Room 604, 100 North Jefferson Street, Green Bay, WI 54301. The hearing is regarding the following proposed amendment to the City of Green Bay Smart Growth 2022 Comprehensive Plan (CPA 13-01): A request to revise properties generally located in the 820 to 1020 Blocks of Bader Street and the 2060 to 2220 Blocks of Manitowoc Road, from Medium/High Density Housing to Low Density Housing.(Figure 22-5).

This comprehensive plan amendment is proposed to be consistent with current low density residential land uses.
