

Chapter 20

SPECIAL HOUSING TYPES

[24 CFR 982.601]

INTRODUCTION

The PHA will permit the use of any special housing types in its program as a reasonable accommodation for persons with disabilities. The PHA will only permit the use of manufactured homes and homeownership in its program as a special housing type for those persons not requiring reasonable accommodations for a disability.

Acceptable demonstration will include documentation from one or more knowledgeable professionals who are familiar with the applicant/participant and or the type of special housing requested as accommodation.

The PHA will not set aside any program funding for special housing types, or for a special housing type.

Verification of Need for Reasonable Accommodation

Acceptable documentation as verification of the need for reasonable accommodation would be a letter to the PHA describing how the special housing type requested provides the accommodation of which the person is in need. The Client Services Specialist will review the request and documentation and a written response stating approval or disapproval will be sent to the applicant/participant within 10 business days of receipt of the request.

A copy of the PHA's response with supporting documentation will be maintained in the applicant/participant's file. The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with 24 CFR 982 Section M - Special Housing Types.

A. SINGLE ROOM OCCUPANCY [24 CFR 982.602]

HUD has determined that there is not a demand for SROs in this area. Therefore, a single person may not reside in a SRO housing unit.

There are few SROs in the PHA's jurisdiction.

The PHA will use a separate lease and housing assistance payment contract for each assisted person residing in a SRO. [24 CFR 982.603]

SRO Rent and Housing Assistance Payment [24 CFR 982.604]

Pre-merger Regular Certificate Program

The payment standard for SRO housing is 75 percent of the zero bedroom FMR.

Voucher Program

The PHA SRO payment standard is 75 percent of the zero bedroom payment standard schedule. For a person residing in an exception area the payment standard is 75 percent of the HUD-approved zero bedroom exception payment standard amount. While an assisted person resides in SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.

Utility Allowance

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

Housing Quality Standards

The PHA will ensure that all SRO units approved for the program are in compliance with all of the Housing Quality Standards for SROs as regulated in 24 CFR 982.605.

B. CONGREGATE HOUSING [24 CFR 982.606]

An elderly person or a person with disabilities may reside in a congregate housing unit.

The PHA may approve a family member or live-in aide to reside with the elderly person or person with disabilities.

The PHA will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Congregate Housing Lease and HAP Contract [24 CFR 982.607]

For congregate housing there will be a separate lease and HAP contract for each assisted family.

Unless there is a live-in aide, the payment standard for a family that resides in a congregate housing unit is the zero-bedroom payment standard on the PHA payment standard schedule.

However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the one bedroom payment standard amount.

If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

Housing Quality Standards

The PHA will ensure that all congregate housing units approved for the program are in compliance with all of the Housing Quality Standards for congregate housing as regulated in 24 CFR 982.609.

C. GROUP HOMES [24 CFR 982.610, 982.612]

A group home must be licensed, certified, or otherwise approved in writing by the State, or the State's licensing department.

An elderly person or a person with disabilities may reside in a State-approved group home. If approved by the PHA, a live-in aide may reside with a person with disabilities.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. Except for a live-in aide, all residents of a group home must be elderly persons or persons with disabilities.

The PHA will not approve assistance for a person to live in a group home if file documentation indicates that the person is in need of continual medical or nursing care.

No more than twelve persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.

Group Home Lease and HAP Contract [24 CFR 982.611]

There will be a separate HAP contract and lease for each assisted person living in a group home. For a group home the term "pro-rata portion" means that which is derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any PHA-approved live-in Aide.

Group Home Rent and HAP Contract [24 CFR 982.613]

The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

The reasonable rent for a group home is determined in accordance with 982.503. In determining reasonable rent the PHA will consider whether sanitary facilities, and facilities for food preparation and service, are common facilities or private.

Maximum Subsidy

Unless there is a live-in aide, the family unit size is **one bedroom**. If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

The payment standard for a person who resides in a group home is the lower of the payment standard for the family unit size; or the pro-rata portion of the payment standard amount on the PHA payment standard schedule for the group home size.

Utility Allowance

The utility allowance for each assisted person residing in a group home is the pro-rata portion of

the utility allowance for the group home unit size.

Housing Quality Standards

The PHA will ensure that all group home units approved for the program are in compliance with all of the Housing Quality Standards for group homes as regulated in 24 CFR 982.614.

D. SHARED HOUSING [24 CFR 982.615]

Occupancy

An assisted family may reside in shared housing. In shared housing, an assisted family may share a unit with another resident or residents of a unit. The unit may be a house or an apartment.

The PHA may approve a live-in aide to reside with a family in order to care for a person with a disability. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Other persons who are assisted or not assisted under the tenant-based program may reside in a shared housing unit. The owner of a shared housing unit may reside in the unit.

A resident owner may enter into a HAP contract with the PHA. However, housing assistance may not be paid on behalf of an owner. The PHA will not approve assistance for a person or family that is related by blood or marriage to a resident owner.

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit.

Rent and HAP Contract

For shared housing, the term "pro-rata portion" means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit. For example, for a family entitled to occupy three bedrooms in a five bedroom unit, the ratio would be 3/5.

The rent to owner to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit. The reasonable rent must be in accordance with the guidelines set in the "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

Maximum Subsidy

For a family that resides in a shared housing unit the payment standard is the lower of the payment standard amount on the PHA payment standard schedule for the family unit size or the pro-rata portion of the payment standard amount on the PHA payment standard for the shared housing unit size.

If the PHA approves a live-in aide, the live-in aide will be counted in determining the family unit

size.

Utility Allowance

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit.

Housing Quality Standards

The PHA will ensure that all shared housing units approved for the program are in compliance with all of the Housing Quality Standards for shared housing as regulated in 24 CFR 982.618.

E. COOPERATIVE HOUSING [24 CFR 982.619]

The PHA will approve a family living in cooperative housing if it is determined that assistance under the program will help maintain affordability of the cooperative unit for low-income families. The PHA will not approve assistance for a family in cooperative housing until the PHA has also determined that the cooperative has adopted requirements to maintain continued affordability for low-income families after transfer of a cooperative member's interest in a cooperative unit (such as a sale of the resident's share in a cooperative corporation).

The reasonable rent in cooperative housing is determined in accordance with "Owner Rents, Rent Reasonableness, and Payment Standards" chapter. For cooperative housing, the rent to owner is the monthly carrying charge under the occupancy agreement/lease between the member and the cooperative.

The carrying charge consists of the amount assessed to the member by the cooperative for occupancy of the housing. It includes the member's share of the cooperative's debt service, operating expenses, and necessary payments to cooperative reserve funds. However, the carrying charge does not include down payments or other payments to purchase the cooperative unit, or to amortize a loan to the family for this purpose. Gross rent is the carrying charge plus any utility.

For a cooperative, rent adjustments are applied to the carrying charge as determined in "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

The lease and other appropriate documents will stipulate that the monthly carrying charge is subject to Section 8 limitations on rent to owner. The housing assistance payment will be determined in accordance with the guidelines in "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

The PHA may approve a live-in aide to reside with the family to care for a person with disabilities. The PHA will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. If the PHA approves a live-in aide, the live-in aide will be counted when determining the family unit size.

Housing Quality Standards

The PHA will ensure that all cooperative housing units approved for the program are in compliance with all of the Housing Quality Standards outlined in the "Housing Quality Standards and Inspections" chapter, and regulated by 24 CFR 982.401.

F. MANUFACTURED HOMES [24 CFR 982.620]

The PHA will permit a family to lease a manufactured home and space with assistance under the program. The PHA **will** provide assistance for a family that owns the manufactured home and leases only the space.

The PHA may approve a live-in aide to reside with a family to care for a person with disabilities. The PHA will approve a live-in aide if needed as a reasonable accommodation so that the program is accessible to and usable by persons with disabilities. If the PHA approves a live-in aide, the live-in aide must be counted when determining the family unit size.

Housing Quality Standards [24 CFR 982.621]

A manufactured home must meet all the HQS requirements outlined in the "Housing Quality Standards and Inspections" chapter and regulated by 24 CFR 982.401. In addition the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

Manufactured Home Space Rental [24 CFR 982.622]

Rent to owner for a manufactured home space will include payment for maintenance services that the owner must provide to the tenant under the lease for the space.

Rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

Reasonable Rent

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by the PHA.

The PHA will not approve a lease for a manufactured home space until the PHA has determined that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the PHA will redetermine that the rent is reasonable.

The PHA will determine whether the rent to owner for a manufactured home space is a

reasonable rent in comparison to rents for other comparable manufactured home spaces. The PHA will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the lease.

By accepting each monthly housing assistance payment from the PHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or elsewhere. If requested by the PHA, the owner must provide the PHA information on rents for other manufactured home space.

Housing Assistance Payments for Manufactured Home Space [24 CFR 982.623]

HAP for the Voucher Tenancy

There is a separate FMR for a family renting a manufactured home space. The payment standard is used to calculate the monthly housing assistance payment for a family. The FMR for rental of a manufactured home space is generally 40 percent of the published FMR for a two-bedroom unit.

Subsidy Calculation for the Voucher Program

During the term of a voucher tenancy, the amount of the monthly housing assistance payment for a family will equal the lesser of:

The payment standard minus the total tenant payment; or

The rent paid for rental of the real property on which the manufactured home owned by the family is located (the space rent) minus the total tenant payment.

The space rent is the sum of the following as determined by the PHA:

Rent to owner for the manufactured home space;

Owner maintenance and management charges for the space;

The utility allowance for tenant paid utilities.

Utility Allowance Schedule for Manufactured Home Space Rental [24 CFR 982.624]

The PHA will establish utility allowances for manufactured home space rental. For the first twelve months of the initial lease term only, the allowances will include a reasonable amount for utility hook-up charges payable by the family, if the family actually incurs the expenses because of a move.

Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place.

Utility allowances for manufactured home space will not be applied to cover the costs of digging a well or installation of a septic system.
