Little Library Vandalism

Unfortunately, our little library has been vandalized 4 times and stolen completely once. We have relocated it to a more well-lit area in the park, but we ask our neighbors to notify police if they see anyone destroying it. The city has graciously both fixed & replaced it for us, but may not continue to if we cannot stop these problems.

This is a joy for many kids in the neighborhood, so please help us keep it for them!

Park Reminder

We have a nice ice rink and tubing hill so be sure to take advantage of it this winter!

Please remember that there is a city ordinance that pet owners need to keep their pets on a leash and pick up their waste in the park. We are looking into supplying a dog waste station to the park next year.

Advertise in the newsletter! The cost of a color, business card size ad is only \$25, or a double size is \$50 and it reaches hundreds of homes! If interested, send an e-mail to angiecook82@gmail.com or call Angie at 920-227-5484

Department of Public Works will be performing curb side pickup of all leaves and yard waste Monday, October 12, 2015. This material should be placed on the terrace (not in the street) and should NOT be co-mingled with brush. Bagged material or co-mingled material will not be picked up. Please pile loose leaves in an open area of terrace away from trees, posts and mailboxes to assist in speedy collection and to minimize damage to equipment.

Weather permitting, collection will continue for six (6) weeks and end on Friday, November 20, 2015. All leaves and yard waste left for collection must be out to the curb no later than Sunday, November 15. After November 20, residents must dispose of their own yard waste. Yard waste left at the curb after November 20, 2015 is subject to collection fees.

Residents are reminded that raking leaves into the street increases pollution of storm water and may cause flooding by blocking drainage structures. Most importantly, piles of leaves in the street are a dangerous attraction to young children.

It is not possible to accurately tell residents the exact day their yard waste will be picked up, but once collection begins, you may contact the Department of Public Works – Operations Division at 448-3535 between 8:00 am and 4:30 pm, Monday through Friday, to find out what area crews are working in and how they are progressing.

In Memory of Carolyn Mackenna

Carolyn Mackenna, who was nearing the end of her second term as president of our neighborhood association, plus serving on the board in prior years, passed to God's kingdom on August 7th after a brief battle with cancer. She is dearly missed by her family, friends, neighbors, and most certainly by those of us who served with her on the association's board.

Having worked as a city employee, she was knowledgeable about the various departments and the structure of our city's government. Her daughter shared that Carolyn's work in the neighborhood association gave her a sense of purpose after her retirement. She loved the people and experienced a kinship that enriched her life with pleasure and joy.

From the time of its inception, the John Muir Park Neighborhood Association has benefited from Carolyn's contributions and leadership in many different roles. Plans are being made to honor her dedication with a bench in the park commemorating her name and service. We will forever be thankful for her pride and work within our neighborhood.

Decorating Contest

We will again be judging the Christmas decorations & lights throughout the neighborhood! An award of \$50 is given to the most inspirational house. Hopefully this will help a little with the light bill! (Previous winners not eligible). Judging done by December 18th

Party & Concert in the Park

On Saturday July 25th, the weather was perfect and over 90 people gathered from the neighborhood to enjoy our 1st ever Party and Concert in the Park. Festivities included: corn roast, concert, karate demonstration, meet & greet Alderman Brian Danzinger, games, prizes, free bike registrations, a friendly visit from the police department, a chance to tour a hook and ladder fire truck, bubble making, face painting, animal balloons, and lots & lots of great fun!
