

GREATER GREEN BAY ECO-BLOCK PARTY

A call out for conservation groups, eco-friendly businesses, sustainability groups and individuals to participate in
Eco-Block Party

**Saturday May 5th
11:30 a.m. — 2:00 p.m.
Veterans Park
Downtown Green Bay**

www.earthweekgb.com

Every Day is Earth Day.

The Greater Green Bay Earth Week Coalition is proud to be part of a larger, global commitment to preserve the environment. For many years our group of volunteers has organized community clean-ups, environmental presentations and films, Earth Day readings in the schools, tree-plantings, Leave Your Car at Home Day, Eco-Jam, Teddy Bear Hunt, Critical Mass Bike Ride, a Green Parade, and this year we are hosting an Eco Block Party at Veterans Park, by Neville Museum, directly following the Green Parade.

The intent is to have a party that reminds us of what we know about living gently on the Earth and show us new things to do. People feel better after sharing a good time together and that is a goal of the Earth Week Coalition's Eco-Block Party. Earth Day reminds us to love and care for the Earth and our fellow creatures.

The Coalition is looking for non-profit groups, sustainable businesses, conservation friendly groups, etc., to take part. The Coalition is looking for groups to conduct demonstration projects such as rain barrels, composting, etc. We strive to have educational booths and fun activities for families to participate in.

Registration

Please register for a spot in the Eco-Block Party by April 15th. Complete the registration and send to Jodi Arndt, 231 South Adams St, Green Bay, WI 54301 or via e-mail to jla@lcojlaw.com. For more information contact Jodi at 920-639-2302.
