It is hard to believe it has been almost a year since we first started organizing to become a neighborhood association. We now have a “voice” for our neighborhood residents and by banding together, we can collectively meet the needs of our neighborhood. With the help and guidance from Andy Rosendahl, Cheryl Renier-Wigg and Melanie Czapinski from the City, we have successfully met the four requirements of the City to be officially recognized which are:

1. Name
2. Mission Statement
3. Boundaries
4. By-laws

Our first annual meeting was held Thursday, June 25, 2009 at Mackinnaws in which 65 people attended. Mayor Schmitt spoke at the meeting along with Melanie Czapinski from the City.

On October 6, 2009 the McAuliffe Park Neighborhood Association was recognized as a neighborhood association by the city council. A plaque was given in our name and accepted by Scott DeBaker and myself.

As with any volunteer group, commitment is key to create a successful organization. We were fortunate to have assistance from Tina Bunker at our meetings, a special thank you goes out to her. In closing, thank you to everyone who helped in the creation of McAuliffe Park NA and have a Happy Thanksgiving!

Meet Your Alderman

Alderman Jerry Wiezbieski

(920) 468 5871

wiezkids@new.rr.com

A large welcome to our newest Neighborhood Association: McAuliffe Park Neighborhood Association.

I am coming to the close of my 3rd year in office as your Alderman. It has been a rewarding and growing experience. Time sure does fly when you are busy.

I continue to be very active in my quest to represent my constituents with integrity and research to make the best possible decisions for all citizens. I continue to be involved as Chair of Park and Rec Committee, Member, I&S Committee, Commissioner, Planning Commission, Member, Annexation Committee, Member Advisory Committee and Member, Urban Design Committee – a newly formed group whose mission is to enhance downtown design standards. I also try to attend other city committee meetings and functions as time allows. I have also become a cabinet member of the Neighborhood Capital Campaign Fundraising for the Mayor's Neighborhood Leadership Council which raises funds for all Neighborhood Associations.

I am proud to inform you that District #1 has grown since my election from 2 to 8 neighborhood associations, with 2 more in sight which will offer complete neighborhood coverage in District #1. We are the leaders in the effort to serve as a resource to City Hall and your elected officials. I hope to organize a Neighborhood President's Committee in District #1 to meet periodically to share lessons learned and common interests.

I continue to pursue the proper closure of Renard Island, monitor the city and county's spending and encourage business development which includes tax incremental funding and the new development of the inner city. I am looking forward to working the M.P.N.A. to resolve any issues in your neighborhood. As always, I sincerely appreciate your support and welcome your feedback and input. It is my intention to campaign throughout the coming year and earn your support for my reelection in 2010.

Are you young, ambitious and love the color or money?

If so, you may be interested in earning cash with your special talent.

The McAuliffe Park Neighborhood Association is looking for any of the following special talents you could provide for your neighbors:

Babysitting
Landscaping – pulling weeds
Lawn mowing
Shoveling
Computer help
Music lessons
Other special talents

Simply submit your name, talent, address, phone number to The McAuliffe Park News and your information will be published in our newsletter so all your McAuliffe Park neighbors will know who to contact when they are in need of your special talents.

Calling all Volunteers

All of the committees are looking for volunteers as we begin our journey towards a successful neighborhood association. Here's a brief description of the proposed committees:

Welcome Committee - Welcomes new residents into our neighborhood with a map of the city, our newsletter, and any other goodies would be helpful. Meets quarterly for approximately one hour.

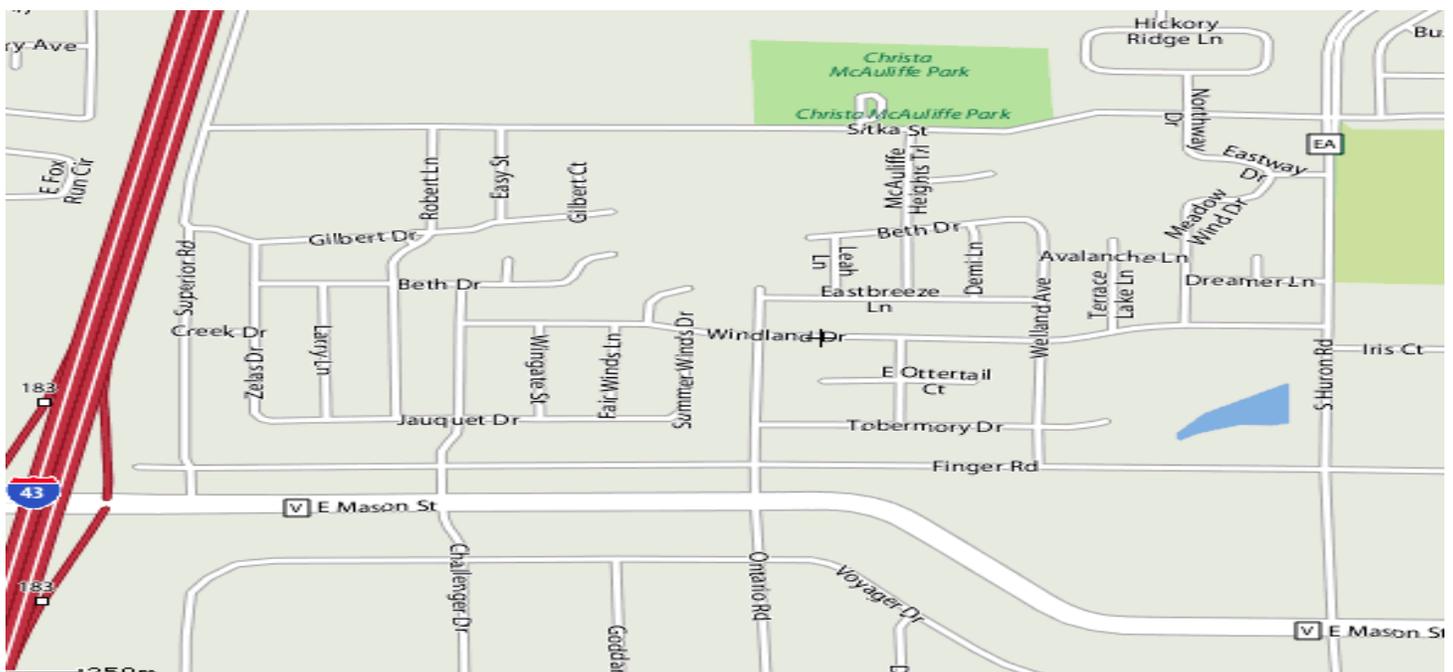

Event/Social Committee – Plans and organizes activities for the association such as neighborhood wide rummage sales, golf outing, block parties, family bowling event, annual pig roast etc. Meets quarterly for approximately one hour and more time as events are planned.

Budget Committee – Plans fundraising activities to support the association. Fundraising activities will be needed for the Friends of the Park Committee. Fundraisers could be a “Kindness Pet Walk”, a “Wine and Cheese Event”, or a “Penny Jar for Fun Equipment”. This is an active committee and requires devoted members to make events happen.

Safety and Beautification Committee Plans & organizes activities to keep our neighborhood residents safe and neighborhood inviting. Activities include speakers from the Fire/Police Dept, placement of speed monitors, etc.
 Subcommittee: **Friends of the Park Committee**- This committee will work with the City to implement replacement of playground equipment, and create our 38 acre neighborhood park. Looking for fun, creative people to serve on this committee!

McAuliffe Park Neighborhood Association Boundaries Identified

The McAuliffe Park Neighborhood Association boundaries have recently been identified and approved by the City of Green Bay. The boundaries are south of Sitka Street, east of Superior Road, west of South Huron Road, and north of East Mason Street.
