A MCAULIFFE PARK NEIGHBORHOOD ASSOCIATION PUBLICATION  
FORWARD THINKING...

Winter 2010  
Volume 1, Issue 2

## We Need You!

If our association is going to be sustainable, we need you!

All committees are looking for a chairperson and volunteers as we continue our journey toward becoming a successful neighborhood association.

Here's a reminder of what we are looking for:

**Welcome Committee** - Welcomes new residents into our neighborhood with a map of the city, our newsletter, and any other helpful goodies.

**Event/Social Committee** - Plans and organizes activities for the association.

**Budget Committee** - Plans fundraising activities to support the association. Fundraising activities will be needed for the Friends of the Park Committee.

**Safety and Beautification Committee** Plans & organizes activities to keep our neighborhood residents safe and neighborhood inviting.

**Friends of the Park Subcommittee** - This committee will work with the City to implement replacement of playground equipment.

Please consider joining a committee. Email Sarah Hoppe at [sarahhoppej@yahoo.com](mailto:sarahhoppej@yahoo.com) or call 471-0740.

## Hello Neighbors,

The members of the Board of Directors have a vision to upgrade our park so it's an inviting family friendly retreat. We are working with the city to replace the playground equipment, upgrade the water garden with colorful plants and make other enhancements to the park and pavilion. Recently, we completed the application for a mini-grant to accomplish these goals and plan to have some fundraising events. Please email your ideas - Sarah

On the far east side of Green Bay, bordered by Interstate 43, Mason Street, Huron Road, and Bairds Creek Greenway, the winding streets of this newer neighborhood are homes of ranches, colonials, and two story new style. The neighborhood is adjacent to the I-43 Business Park that buzzes with commercial businesses included a health clinic, a cinema, hotels, fine restaurants, and fast food to go. The neighborhood includes Christa McAuliffe Park that spans over 34 acres and backs up to Bairds Creek Greenway; the Cities largest park of over 500 acres of green space and nature trails.
