MOVIE IN THE PARK

The city's neighborhood division has all the equipment necessary to host movies in the park, including the projector, portable screen as well as a popcorn machine!! All we need are some people to

help set it up and make it happen. If you think that you might be interested in helping out please let us know. We are also taking suggestions on a date and movie title!!!

Summer park program fliers are out!

There is a link posted to download the flier on the website. You can find it located under city services park&rec.

I also have a limited number available in print form, please let me know if you would like one.

Please check the website for more events and other information.

If you haven't noticed yet the new playground equipment was installed last fall at the park and has turned out to be pretty popular. Even if you don't have any kids around please take a moment to see where our tax dollars are spent on some good things in our neighborhood. I would really like to thank all the people that were involved with the selection process.

We are looking for Block Captains

The function of a block captain is to help communicate with the neighbors at more of a block by block level. Some duties would include distributing the newsletters and getting other important information out if needed. We are not a neighborhood watch and we are not out to keep tabs on everyone. We have over 800 households and would like to be able to provide an efficient means to convey the news. If you are interested in helping in any way please let us know.

Email McAuliffeParkNA@gmail.com for additional information or visit us on Facebook under McAuliffe Park Neighborhood Association & become a member to receive updated neighborhood information.

You can also contact Scott DeBaker (president) at 406-5916 for more information.

Following the 2010 census, redistricting has taken place and the entire area of our association west of Huron Road is now located in District 2.

Tom is 54 years old and has lived on the East side of Green Bay all his life. He is married to Diane and has 4 children between the ages of 26 and 32. He graduated from East high school and attended NWTC in Police Science. Tom worked at UPS from 1978 until his retirement in 2005. After retirement he walked out their door and went straight to City Hall and Brown County and took out papers to run for office. This is what he lives to do for many years and something that he loves doing. He has not taken a vacation in 6 years! Tom has served on many committees including Parks, I&S, Protection and Welfare, Advisory, Personal and Finance, Housing Authority and the Mayors Beautification Committee. He was elected Vice President of the City Council in his second term followed by being elected President his third term. Tom was re-elected this year, to his fourth term and was elected Council President again by his peers for the 2nd time in a row, something he is very thankful for. Tom promises to take all calls very serious and will take action right away (not a.s.a.p. but right away) and he will follow up all along the way. He looks forward to serving the McAuliffe Park neighborhood and working for everyone of you.

Other Volunteer Opportunities

The neighborhood sign needs to be “enhanced” with some plantings or other landscaping. If you have a green thumb or just some really good ideas you are more than qualified.

Since we don’t have the budget to mail out the newsletters, we are also looking for a few more neighbors who are able and willing to help hand deliver the newsletters. This is a great way to get some exercise and meet more of your neighbors at the same time.
