

You are invited to the...

2nd Annual Emily's Ninjas Golf Outing!

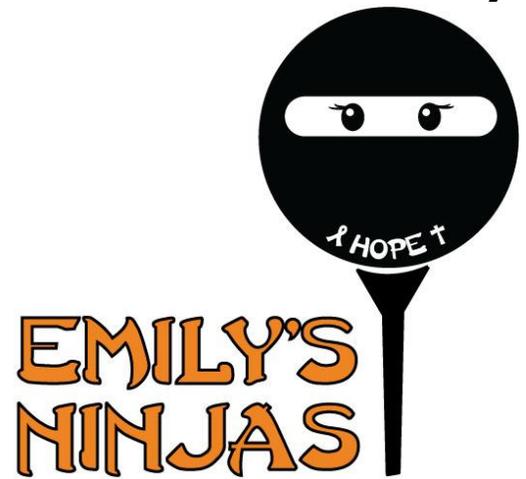

Date: Sunday, September 29, 2013

Time: 12:00 noon – Shotgun Start!

Place: The Woods Golf Club, 530 Erie Road, Green Bay, WI 54311

www.golftthewoods.com

Cost: \$75 per golfer...includes greens fees for 18 holes, cart, burger & brat fry plus two drink tickets, raffle ticket for great prizes (such as Graystone Ale House, Harbour Village Resort, The Bar, Hagemeister Park, Highland Howies, The Woods, Rosati's, Pizza Ranch, and many more), and a \$35 donation to the Leukemia & Lymphoma Society through the 2013 Light the Night Walk.

Our purpose: As you may know, Emily was diagnosed with Acute Lymphoblastic Leukemia (ALL) in June 2011 and received a stem cell transplant in September 2011. Emily's life was saved by the research and care either funded by or directed by The Leukemia & Lymphoma Society (LLS). LLS' annual fundraiser is the "Light the Night" walk (this year on Friday, September 27th at Fox Cities Stadium in Appleton), and we will be participating in that as well. We'd love to see you there, also! Over the past two years, our team "Emily's Ninjas" raised over \$20,000, which includes money raised from last year's "Non-Golf Golf Outing" that got rained out! The funds raised at the 2nd Annual Emily's Ninjas Golf Outing will be added to our team's total raised for the walk this year. Just think...if we can get 18 foursomes, we can raise over \$2,500 for the Leukemia & Lymphoma Society, and we can help fund research that really does save lives!

Registration: Please send completed registrations to Greg & Emily DeVillers, 3105 Windland Drive, Green Bay, WI 54311 by September 15th. We really encourage you to fill your own foursome with your family, friends, or co-workers! Fill out the attached form with all your golfers' info, and send it in! If you don't have a foursome in mind, register however many golfers you'd like, and we'll pair you up with someone. You will receive a confirmation and additional information in September.

Want to golf AND walk? If you are interested in participating in the actual Light the Night Walk on Friday, September 27th, visit <http://goo.gl/ucycl>, scroll to the bottom, and click the red "JOIN" button to join our team! The walk is an amazing experience, full of hope and inspiration! It is a great time for families, complete with tons of snacks, dinner, events for kids, and fireworks! By raising only \$100, you could become a "Champion for a Cure" (which means you would receive a free t-shirt, treats and beverages, and a lighted balloon to carry at the walk!).

The only things that truly matter for this golf event are having a good time and raising some funds which will save lives. Someone raised money in the past to support research that gave Emily a second chance at life. Now it's our turn to make a difference!

Sincerely,

Greg, Emily, Addison, and Logan DeVillers
John and Kathy Kauth
