

From the Mayor:

Welcome to the eleventh annual Kids' Day!

In 2003, I created Kids' Day - a special day to celebrate and show children how special they are to their families and the future of Green Bay. It serves to reinforce the City's appreciation of their hard work in school and community volunteerism. I have declared Kids' Day to be June 25th of every year (six months from Christmas), and I am proud to report that it has been a tremendous success, with great participation, activities and events.

All Kids' Day events are provided for **FREE**, including baseball, movies, inflatable games, music, swimming, bowling, lunch and rides at our city's famous Bay Beach Amusement Park and much more.

We love and respect the children of our community. Put on your wristband, pick up your friends and join me in making this the best Kids' Day **EVER!**

Remember - ALL events for kids on Kids' Day are FREE
