- **Geography Bowl** August 4, 11:00 a.m. at Preble Park
- **Book of the Week** Summer reading initiative

"Lunch in the Park Program" provides children with a quality meal that is safe, nutritious and provides the knowledge and skills to make lifelong healthy choices.

In cooperation with the City of Green Bay Parks & Recreation Department, the Green Bay Public School District will be offering free lunches to children at various park sites June 11 - August 14. For more information, visit our website.

In 2014,
100,000 lunches
were served.

Celebrate “Kids’ Day” in the City of Green Bay on June 25th! City of Green Bay youth ages 17 and under can enjoy free admission to the following activities:

- Eat lunch with the Mayor at Leicht Memorial Park while enjoying other special activities.
- Enjoy park facilities such as a refreshing swim at one of the City pools, the thrilling rides at Bay Beach, or watch an animal release at The Wildlife Sanctuary.
- Explore the City on the Green Bay Metro buses.
- The planning committee is currently working with local businesses to plan additional activities to complete your fun-filled day.

Commemorative Benches

Benches can be purchased and placed in various City Parks or trails. For more information, call (920) 448-3365.

Annually Green Bay public street trees provide!

Forestry

Green Bay street trees provide millions of dollars of environmental, economic and aesthetic benefits to the community. Over their lifetime, street tree benefits exceed the costs of planting and care, representing a 300 percent return on investment. Tree benefits increase over time highlighting the importance of not only planting trees, but of providing ongoing maintenance and protection. These benefits are a reminder of the worthwhile investment in our community forestry program.

- Reduce storm water runoff
- Lower summer air temperatures
- Reduce air pollution
- Reduce heating and cooling costs
- Reduce atmospheric carbon dioxide (CO₂)
- Enhance property values
- Provide wildlife habitat
- Improve health and wellbeing
- Improve learning and concentration
- Provide aesthetic benefits

See our website for information regarding pruning, insects, consumer information and more.
