Newsletter of the Woodside Heights Neighborhood Association

1st Quarter 2013

## Mission Statement:

Surrounded by the aesthetic landscape of Baird Creek Parkway and The Woods Golf Club and where pride of ownership is apparent, the Woodside Heights Neighborhood Association seeks to preserve this safe, clean and quiet subdivision that is characteristic of new neighborhoods on Green Bay's far-east side.

The Association will welcome ideas and feedback from its members and maximize their talents and creativity to organize and sponsor family-friendly events. Regular communication (print and/or electronic) will inform members of (but is not limited to) news, issues and general announcements.

## ANNUAL MEETING WAS A BIG SUCCESS!

Our Annual Meeting was held on October 24th. Our attendance was up this year, but for those who could not make it, we have another meeting coming up on January 9th at the Woods Golf Course. During the meeting several topics were discussed including the spring Rummage Sale, Summer Block Party, and our neighborhood sign beautification project. We are looking for suggestions to make these events even better or volunteers to help organize events. Guest speaker Greg Flisram, Director of Economic Development for the City of Green Bay, discussed growth on east side of Green Bay including the development of the old Blockbuster building, East Town Mall, Downtown, and the industrial parks. He discussed some of the challenges the city is facing with bringing new companies and retail stores to the area. The night ended with board member nominations. We now have two new board members: Darcy Martinez and Melissa Grenier. Contact information for all board members will be in the next newsletter.

*Special Thanks to  
The Woods Golf Club  
For providing complimentary  
meeting space!*

## ROCK THE BLOCK PARTY

Thank you to all who attended the Block Party in July! A special **Thank You** to all the volunteers that helped set up and supply food. Kids enjoyed the bounce house as well as the duck pond! Due to the heat, we are planning on moving the party to a later date next year. We are looking for ideas and volunteers for next year...come to the next meeting or email us your ideas.

## Have You Seen The WHNA Sign?

Back in October volunteers worked on the area around the neighborhood sign. The goal is to draw attention to our sign on the corner of Sitka and Huron. We are looking to make this a welcoming entrance into our small neighborhood. Plants will be added in the spring of 2013.

Along with the landscaping, some new vinyl signs have been ordered as reminders and announcements of activities in the neighborhood.

## Please, Slow Down!

Winter is upon us and with that comes poor driving conditions. Give yourself plenty of room to stop and please be cautious when driving on slippery roads; watch for changing road conditions. Watch for pedestrians as snow on the shoulder of the road forces walkers further into the road. More people are outside cleaning driveways and sidewalks so beware of pedestrians going in and out of driveways and clearing the road near mailboxes. Also watch for children that may be playing in the snow or waiting for school buses.
