## WELCOME TO 2015!

Hi, I am Mike Engelke, your new association President. I would like to publicly thank Adam Moore and Eric Schwoerer for all the commitment they have shown over the years on behalf of our neighborhood. I am happy to say we are in very good shape starting 2015. Julie and I moved here in July of 2013 from Chilton. I am employed by St. Mary's and St. Vincent's Hospitals as the Divisional Director of Clinical Engineering. I have worked there for 16 years and like the commute much better than before. Julie is employed by GE Healthcare for the last 7 years. I will be attending the first Green Bay Neighborhood Associations meeting the first week of February. Please let any one of us on the board what you would like to see to better promote our neighborhood. Any ideas would be welcome. Please join us at the end of the month at our neighborhood Blizzard Bash; I hope to see you there.

## BLIZZARD BASH!

Our winter event will be taking place on January 31st, starting at 4pm. The east end of Silka St. will be blocked off and fire pits will be set up to help everyone stay warm while enjoying time with neighbors. Kids will hopefully be able to slide down the snow pile that is usually located at the end of the road. Please bring your own drinks and snacks will be provided by the WHNA.

## Volunteer Opportunities

Are you looking to spread some holiday cheer this season by giving back to your community in a meaningful way? Then sign up for Neighborhood Volunteer Connection! Get paired up with a senior or person with disabilities in the neighborhood to help them remain independent by shoveling snow this winter. You can join as an individual or a group. Every shoveled driveway makes a huge difference to someone who needs help in the community. Make a positive impact in another person's life and sign up for Neighborhood Volunteer Connection. For more information on the program visit <http://www.volunteergb.org> or call (920) 429-9445.
