Salvation Army Red Kettle Day on Black Friday

(Green Bay, WI) Mayor Jim Schmitt, County Executive Troy Streckenbach, and Village President Mike Aubinger will be presenting a joint proclamation to Salvation Army Captain Ken Shiels encouraging holiday shoppers to share their savings with the charity.

For over 120 years, the Salvation Army of Brown County has provided programs and services which meet the physical, emotional, and spiritual needs of the community. Thousands of dollars are donated each year to aid needy families, seniors and the homeless of the community.

Many of the programs operate only because of the donations received through the Red Kettle Campaign. Donations provide food and shelter for families in need, financial assistance for basic necessities as well as seasonal assistance. There are 57 Red Kettles located throughout the greater Green Bay community.

All shoppers are encouraged to share some of their savings with the Red Kettle on Black Friday.
