Esther Blacker, N9643 Bayshore Rd, Dyckesville, Wisconsin, appeared and stated that the current establishment is known as Jugs 'n Mugs. The name is going to be changed to Whiskey Bay and the facility is going to run similar to how it is at this time. They would like to provide live music as long as the laws in place are being followed. Esther Blacker has met with the community officer and everything has been taken care of.

Ald. Steuer stated that the location of the establishment is in a highly concentrated area with other establishments and homes and is wondering if there are any concerns with certain things over time.

Capt. Bongle replied that with it being an area with residential neighbors it is always good to monitor the patrons as they are coming or going and to be considerate of your neighbors with music volume and open containers. It is very important to have a good training system in place to control underage drinking issues.

Ald. Tim De Wane questioned why the current owner was no longer interested due to just being licensed earlier this year. Ms. Blacker responded that Lori Coopman is looking into a different location.

A motion to approve made by Ald. Brunette and seconded by Ald. Tim De Wane. Motion carries.

A motion was made by Ald. Brunette and seconded by Ald. Tim De Wane to adjourn the meeting at 5:08 p.m. Motion carried.
