

PUBLIC VEHICLE LICENSE APPLICATION

PART A – APPLICATION INFORMATION

No public vehicle may be operated in the City of Green Bay unless first licensed by the City. You must apply for a separate license for each vehicle. Complete this application, then provide a certificate of insurance with a minimum of \$500,000 combined single limit liability coverage which specifically lists the vehicle identified below to the City Risk Management Division on the 5th floor of City Hall. The insurance certificate must also contain the following language, "Thirty days advance written notice of cancellation or non-renewal shall be sent to the City of Green Bay, Risk Management Division, 100 North Jefferson Street, Green Bay, WI 54301-5026." After insurance approval, file this completed form with the City Clerk, pay a \$20.00 licensing fee, and provide a copy of the current registration of the vehicle through the Wisconsin Department of Transportation.

After filing the appropriate items with the City Clerk and Risk Management, the vehicle must be presented to the Green Bay Police Department for inspection. The fee for the inspection is \$20.00 per vehicle. You must call 448-3183 to schedule an appointment for an inspection. You should call at least seven days in advance for an inspection. Vehicles which fail the inspection for any reason will be required to be re-inspected before the vehicle will be licensed and an additional inspection fee will be charged.
