Atty. Mueller stated the City Attorney's Office has no objections. Capt. Bongle stated the Green Bay Police Department (GPBD) has no objections.

Nobody appeared for this item.

A motion was made by Ald. Steuer and seconded by Ald. Scannell to approve the application contingent an approved security plan, for one of seven available "Class B" Combination License by sissypants!jakes, LLC at 112 S. Broadway, for the balance of the license year and the 2014-2015 license year with the approval of the proper authorities. Motion carried.

6. Application for "Class B" Combination License by Heath Hermans, at 700 Bodart Street, for the 2014-2015 license year. (Transfer from The Cover, LLC)

Atty. Mueller stated the City Attorney's Office has no recommendations; however he would like to make the Committee aware that there are is a arrest and conviction record that substantially relate to the license activity for this applicant that includes: 2006 misdemeanor - telephone harassment; 2002 forfeiture – first OWI; 2003 misdemeanor - second OWI 2nd; and 2013 loitering in bars after hours.

Capt. Bongle stated the neighborhood officer met with the applicant and reviewed the security plan, which was approved; however they also have issues with the applicant's record and ask the Committee to consider this before making a recommendation.

Ald. Wery opened the floor without objection.

Heath Hermans, 231 De Pere Road, appeared and stated he has been in the bar businesses for 25 years. When he owned Swobey's he didn't have any problems obtaining a license and never received any citations. He was even given a commendation from the GBPD for catching minors a sting operation. Mr. Hermans explained he was helping another bar owner clean up his bar after closing hours when he received they loitering charges. He was not a bar owner when he received the OWI charges. He managed other bars as well without having any problems. He will be in charge of the majority of the work at the Round Up, all the bartenders are licensed, and scanners and cameras are already in place.

A motion was made by Ald. Tim De Wane and seconded by Ald. Scannell to approve the application for "Class B" Combination License by Heath Hermans, at 700 Bodart Street, for the 2014-2015 license year with the approval of the proper authorities. (Transfer from The Cover, LLC) Motion carried.

7. Renewal application for a "Class B" Combination License by VICA Enterprises Inc., at 718 Bodart Street, for the 2014-2015 license year.

Atty. Mueller stated that liquor licenses run from July 1 through June 30 and license holders are currently renewing at this time. The City Attorney's Office and the GPBD have separated the licenses that they recommend denial listed on items on #7 and #8. Staff will present a brief synopsis on why they made that determination. If the Committee recommends denial the licensee has the right to a hearing where they can present their evidence. Atty. Mueller recommends not opening the floor at this time so there aren't any prejudgment or bias issues. This meeting is just to find out if there is any cause for non-renewal of the license.

Atty. Mueller stated that in 2012, a stipulation was signed and the applicant's license was suspended for 21 days after a complaint was filed outlining 9 separate incidents, including running an disorderly house. The applicant admitted to everything by agreeing to the stipulation. On October 20, 2013 a large disturbance occurred there; this is the reason why non-renewal is recommended. Evidence from squad car video can be presented if the licensee requests a hearing. Thirteen officers responded for 15 individuals that were fighting, 9 citations were given out and 1 criminal arrest was made.

Capt. Bongle stated the GBPD agrees with Atty. Mueller's assessment and reminded the Committee that there has been a long history at this property with numerous incidents dating back to 2011. The incidents occur with such frequency that it leads them to believe the business doesn't have any control over making it a safe environment.

Ald. Steuer states the business has been given many chances to change.

A motion was made by Ald. Scannell and seconded by Ald. Steuer to deny the renewal application and issue notice to the applicant of intent to non-renew for a "Class B" Combination License by VICA Enterprises Inc., at 718 Bodart Street. Motion carried.

8. Renewal application for a "Class B" Combination License by Boozehounds Inc., at 1423 S. Broadway, for the 2014-2015 license year.

Atty. Mueller stated the City Attorney's Office recommends non-renewal for this license as they have evidence it isn't currently operating. There is an ordinance that says we can remove a liquor license if the business ceases operation for more than 60 days. The Brown County Health Department (BCHD) shut the business operations down in 2013.

Capt. Bongle stated he has been working with Dale Schmitt from the BCHD. Capt. Bongle reported he has a copy of an August 7, 2013 letter issued to the applicant, Camden Murphy, stating he is delinquent in fee payments and applying for their permits. In July, a BCHD inspector witnessed an employee packing things up and the bar has been vacant ever since. Mr. Schmitt also reported that BCHD hasn't received any response from the applicant.

Capt. Bongle reported there are currently 17 taverns operating within a mile from this area, and the neighborhood would probably be better without this one.

A motion was made by Ald. Steuer and seconded by Ald. Scannell to deny the renewal application and issue notice to the applicant of intent to non-renew for a "Class B" Combination License by Boozehounds Inc., at 1423 S. Broadway,.. Motion carried.

9. Application for an Entertainment Facility License by Knutson Ventures, LLC at 1464 Main Street.

Atty. Mueller stated he would like to speak with the applicant as they don't have very much information regarding this item.

Ald. Wery opened the floor without objection.

Christopher Knutson, 1044 Ernst Drive, appeared and stated this application is for a pool hall that has been in existence for 22 years. He would like to do some repairs to the building but continue to run it as a pool hall. The average age of patrons is 18-25. They are open Sunday through Thursday noon to midnight and noon to 2 a.m. Friday and Saturday. There isn't any alcohol being served.

Capt. Bongle stated the GBPD doesn't have any concerns at this time.

Ald. Scannell stated he lives in this neighborhood and there have been past concerns regarding this business. Mr. Knutson stated he was made aware of this as well as things happening in the parking lot, and has installed security cameras that survey the entire exterior of the premises.

A motion was made by Ald. Tim De Wane and seconded by Ald. Scannell to approve the application for an Entertainment Facility License by Knutson Ventures, LLC at 1464 Main Street. Motion carried.

10. Request by the owners of Napalese Lounge, 1351 Cedar Street, to add an additional 10 feet of patio area and a raised planter at the edge as part of their licensed premises.

Atty. Mueller stated the applicant is asking for an extension of their license premises to make the patio larger.

Ald. Wery opened the floor without objection.

Arnold Pendergast, (address intelligible) Menasha, appeared and stated he just wanted to add some aesthetic compliment to the patio area by extending the patio space and adding a planter to hide a concrete wall. It will be used as a smoking area; entrance is only through the bar.

Ald. Wery returned to regular order of business.

A motion was made by Ald. Scannell and seconded by Ald. Tim De Wane to approve the request by the owners of Napalese Lounge, 1351 Cedar Street, to add an additional 10 feet of patio area and a raised planter at the edge as part of their licensed premises. Motion carried.

11. Application to keep three dogs at 1861 East Shore Drive (postponed from the February 10, 2014 meeting).

Ald. Wery stated he was contacted by Ald. Moore who stated he was fine with this request.

Atty. Mueller stated the City Attorney's Office has no objections, and the GBPD, Animal Control Officer and Inspections Department have given their approval.

Nobody appeared for this item.

A motion was made by Ald. Tim De Wane and seconded by Ald. Steuer to approve the application to keep three dogs at 1861 East Shore Drive, with the stipulation that upon the death of one of the dogs the applicant must appear back before this Committee for permission to keep more than two dogs (postponed from the February 10, 2014 meeting). Motion carried.

12. Application to keep three dogs at 458 Menlo Park Road.

Atty. Mueller stated the City Attorney's Office has no objections, and the GBPD, Animal Control Officer and Inspections Department have given their approval.

Nobody appeared for this item.

A motion was made by Ald. Scannell and seconded by Ald. Steuer to approve the application to keep three dogs at 458 Menlo Park Road, with the stipulation that upon the death of one of the dogs the applicant must appear back before this Committee for permission to keep more than two dogs. Motion carried.

13. Six month review of Anne Marie Cortez Operator License application (from November 19, 2013 Common Council meeting).

Atty. Mueller reported that the licensee recently received a theft citation regarding her employment at Pit Row. The license cannot be taken away without a quasi-judicial hearing; at this point the City Attorney's Office would like to review this charge before determining whether they want to file a complaint against her operator's license. Atty. Mueller stated he recommends receiving and placing this item on file at this time.

A motion was made by Ald. Steuer and seconded by Ald. Tim De Wane to receive and place on file the six month review of Anne Marie Cortez Operator License application (from November 19, 2013 Common Council meeting). Motion carried.

14. Request by Ald. Wery to review the 'Hook and Ladder' program, with possible action.

Atty. Wachewicz stated the union filed a grievance regarding this program approximately a year ago before the Personnel Committee meeting and their

decision was deadlocked. A decision was made by Chief Litton and HR Director Boland was to deny the grievance. The union filed an appeal with the Wisconsin Employment Relations Commission and an arbitration hearing has been set for June 4, 2014 and a mediation meeting for May 29, 2014.

Chief Litton appeared and stated the program was designed as a result of discussions between Bellin and the City based on the new health care law, to become proactive with high-risk patients after they've been discharged from the hospital. Within three days of release these patients would be visited to check on their well-being. A check off form will be filled out with information that will be sent to Bellin. While there, the patient will be asked if they are taking their medication, that they know how to contact their doctor and if they have a support system in place. The home will also be checked for safety issues such as tripping hazards, and working smoke and carbon monoxide detectors. Medical evaluations are not included in these evaluations; however if the patient is in distress a medical call would be made. Fire stations will be responsible for patients living in their district area.

Chief Litton stated the program began in the spring of 2013 and 22 visits have been made with positive comments from patients. If called away for an emergency, the firefighter would leave the patient and call back to reschedule another visit. Chief Litton stated the program has been discontinued for the last few months, and that he hopes a resolution will be made with the union.

Ald. Steuer stated he would be uncomfortable making a decision tonight since this item is going to be discussed at an arbitration hearing.

Ald. Wery inquired if there is a charge for visiting discharged patients. Chief Litton stated the charge is \$50 per service call which covers our expenses. Ald. Wery inquired if there has been any discussion in tripling those charges in order for the City to make money, and if hospitals will be included in this program. Chief Litton replied that both of those questions will be brought up at the arbitration meeting.

Ald. Wery opened the floor without objection.

Chad Bronkhorst, 2826 Travertine Ct., appeared and stated the Common Council can resolve this before it goes to arbitration. Overall he believes this program is a good thing and can bring revenue into the City to offset some of the tax base.

Ald. Nenning stated that we charged Bellin for services provided and inquired if anyone knew who Bellin charges for the services we provide. Chief Litton stated he was uncertain.

Mr. Bronkhorst stated that under the new affordable health care act if a patient returns to their provider for the same issue within 30 days after they were discharged, their provider will not get paid for that visit. Mr. Bronkhorst reported that statistics show if a patient has been visited at their residence within 72 hours of their release they do not tend to return to their provider. When the loss of the fees are calculated, it is cheaper for the provider to pay us for that visit.

Atty. Wachewicz inquired if this Committee would like to go into closed session for this item during the Common Council meeting, the members agreed they would.

The Committee may convene in closed session pursuant to § 19.85(1)(g), Wis. Stats., for purposes of conferring with legal counsel who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved. The Committee may thereafter reconvene in open session pursuant to § 19.85(2), Wis. Stats., to report the results of the closed session and consider the balance of the agenda.

A motion was made by Ald. Steuer and seconded by Ald. Tim De Wane to receive and place on file the request by Ald. Wery to review the 'Hook and Ladder' program, with possible action. Motion carried.

15. Applications for various "Class A" and Class "B" Licenses for the 2014-2015 License Year (see EXHIBIT A)

Atty. Mueller stated the City Attorney's Office has no objections to any of these licenses.

A motion was made by Ald. Scannell and seconded by Ald. Tim De Wane to approve the applications for various "Class A" and Class "B" Licenses for the 2014-2015 License Year (see EXHIBIT A).

A motion was made by Ald. Tim De Wane and seconded by Ald. Steuer to adjourn the meeting at 5:55 p.m. Motion carried.

For all licensing issues, the Committee may potentially convene in closed session pursuant to §19.85 (1)(b) and/or §19.85 (1)(f) Wisconsin Statutes, for the purpose of considering information with respect to licensing for a person. The applicant has the right to demand that the meeting be held in open session. The applicant may also request that the meeting be held in closed session. The Committee may, thereafter, reconvene in open session pursuant to §19.85(2) Wisconsin Statutes to report any actions taken during the closed session and to consider all other matters on the agenda.

If there are any questions regarding the agenda, please call Dawn, City Clerk's Office, at 448-3010.

ACCESSIBILITY: Any person wishing to attend who, because of a disability, requires special accommodation should contact the City Safety Manager at 448-3125 at least 48 hours before the scheduled meeting time so that arrangements can be made.

Please take notice that it is possible that additional members of the Council may attend this committee meeting resulting in a majority or quorum of the Common Council. This may constitute a meeting of the Common Council for purposes of discussion and information gathering relative to this agenda.

The audio tape and minutes of this meeting will be available at www.greenbaywi.gov
