RECITALS

The Common Council (the “**Governing Body**”) of the City of Green Bay, Wisconsin (the “**City**”) makes the following findings and determinations:

1. The City is in need of funds for the following purposes: \$5,540,000 for street improvements; \$1,410,000 for sewerage improvements, including, but not limited to, sanitary sewer improvements; \$655,000 for parking lots or other parking facilities; \$1,020,000 for fire engines and other equipment of the fire department; \$900,000 for parks and public grounds, including, but not limited to, building and facility improvements, property acquisition for creation and expansion of parks, and improvements to walkways, trails, and bridges; and \$7,410,000 to provide financial assistance to blight elimination, slum clearance, community development, redevelopment, and urban renewal programs and projects, including, but not limited to, (i) a developer grant, the purchase of property, environmental remediation, and site preparation to provide for the construction of the Schreiber Foods corporate offices within the City’s Tax Incremental District No. 13, and (ii) a developer grant to Broadway Automotive to provide for expansion and improvements to its property in the City’s Tax Incremental District No. 16 (collectively, the “**Project**”).

2. On the date hereof and prior to the adoption of this resolution, the Governing Body has adopted separate initial resolutions for each of the purposes above that collectively constitute the Project.

3. The City may choose to issue one or more separate series of obligations to finance portions of the Project.

4. The Governing Body deems it in the best interests of the City that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project and the Taxable Project, pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and upon the terms and conditions set forth below.

RESOLUTIONS

The Governing Body resolves as follows:

**Section 1. Authorization to Combine and Purposes of Obligations.**

The purposes of the Project are each hereby authorized to be undertaken and are hereby authorized to be combined into a single bond issue designated as "Corporate Purpose Bonds" (the "**Bonds**") as more fully provided below; *provided, however*, that (i) the City may choose to issue one or more separate series of obligations to finance portions of the Project, and (ii) the City shall issue a separate series of "Taxable Community Development Bonds" to finance on a taxable basis the portion of the Project which does not qualify for tax-exempt financing (the "**Taxable Bonds**", and together with the Bonds, the "**Obligations**").

**Section 2. Authorization of Issuance of Obligations.**

For the purposes of the Project, there shall be, and there are hereby, authorized and ordered to be prepared, executed, and issued, in two or more series, fully registered, negotiable, general obligation bonds of the City, in an aggregate principal amount not to exceed \$16,935,000. The Obligations will be issued under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes.

**Section 3. Authorization of Sale of Obligations.**

The Bonds and the Taxable Bonds are each hereby authorized and ordered to be sold to the same or separate purchasers to be determined by competitive bid (each a "**Purchaser**").

**Section 4. Preparation of Official Statement and Notice of Sale.**

The Mayor, the Clerk, and the Finance Director of the City (in consultation with the City's Financial Advisor, Robert W. Baird & Co. Incorporated) are each hereby authorized to cause a preliminary offering document for the Obligations (the "**Official Statement**") to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a separate "**Notice of Sale**" and "**Bid Form**". **RESOLUTION REGARDING LEGISLATION TO  
ELIMINATE PERSONAL PROPERTY TAXES AND  
STATE AID FOR THE COMPUTER TAX EXEMPTION**

**May 19, 2015**

BY THE COMMON COUNCIL OF THE CITY OF GREEN BAY:

WHEREAS, it is known that certain state legislators are planning to introduce legislation to eliminate the personal property tax in Wisconsin as well as the state aid for the computer tax exemption; and

WHEREAS, \$290 million of personal property taxes was collected by local governments in the State of Wisconsin in 2014; and the loss of this tax base would significantly shift the tax burden to residential homeowners and other classes of property; and

WHEREAS, the elimination of personal property taxes would reduce the City of Green Bay's assessed valuation by \$292,173,300, resulting in an increase in the City's assessed tax rate of approximately 5% or raising the City's mill rate from \$8.86 to \$9.31 based on the 2015 budget; and

WHEREAS, the elimination of the personal property tax will result in a reduction in the incremental levy for most existing Tax Incremental Finance districts and will create lower increments for future TIF districts; and

WHEREAS, the elimination of personal property taxes will also increase the tax burden for residents of the City of Green Bay through their property taxes for Brown County, Green Bay Area Public Schools, Northeast Wisconsin Technical College, and the State of Wisconsin; and

WHEREAS, the State of Wisconsin has been making payments to local governments since 2001 to offset the loss of tax base which occurred when the state exempted business computer equipment from personal property taxes; and

WHEREAS, the loss of state payments for the computer exemption would total \$1,484,745 for the City of Green Bay, including \$798,375 for the City's General Fund budget and \$686,370 for the City's TIF districts.

NOW, THEREFORE, BE IT RESOLVED, that the City of Green Bay opposes legislation to eliminate personal property taxes as well as state aid for the computer tax exemption unless the state provides a permanent revenue source other than property taxes to prevent a shift in the tax burden to homeowners and other classes of property.

THE COMMON COUNCIL OF THE CITY OF GREEN BAY DOES ORDAIN AS FOLLOWS:

**SECTION 1.** Section 6.39, Green Bay Municipal Code, is hereby created as follows:

**6.39 MOBILE FOOD ESTABLISHMENTS.**

(f) "Vehicle" shall mean any motor vehicle as defined by Wis. Stats. §340.01(35) or trailer as defined by Wis. Stats. §340.01(71).

(g) "Vend" shall mean to sell or to transfer the ownership of an article to another for a price in money.

~~(2) LICENSE REQUIRED.~~

(a) No mobile food vendor and/or mobile food establishment shall vend, sell or dispose of or offer to vend, sell or dispose of goods, wares or merchandise, produce or any other thing at any place whatsoever in the City of Green Bay, without having obtained an approved license from the City Clerk.

(b) LICENSE. Every mobile food vendor shall have a license issued by the City Clerk to conduct business in the City of Green Bay. Each mobile food establishment shall be licensed separately. A mobile food establishment license shall expire on October 1 each year.

(c) LICENSE FEE. The license to operate a mobile food establishment shall be \$500.00. If an applicant requests a license under this subchapter from an existing City of Green Bay based business that sells same or similar products, the license fee shall be \$300.00.

(d) LICENSE RENEWAL. Upon renewal of license, each applicant must provide a new application, a renewal fee of \$250.00, and any new permitting documentation upon the license renewal. License renewal from an existing City of Green Bay based business shall be \$150.00. If the applicant fails to submit the application and renewal fee within 30 calendar days after the expiration of the license, the applicant shall reapply as a new applicant.

(e) TRANSFER OF LICENSE. A license issued under this subchapter shall be not transferable from person to person. A license is valid for one vehicle only and shall not be transferrable between vehicles.

**GENERAL ORDINANCE NO. 12-15**

**Page 3**

(g) SURRENDER OF LICENSE; ALTERATION OF LICENSE; FAILURE TO DISPLAY LICENSE. On the expiration of a license issued under this subchapter, the license holder shall surrender the license to the City Clerk. No person shall alter or change in any manner any license issued under the provisions of this subchapter, and such alteration or the failure of the holder of the license to display the license in a conspicuous place on the mobile unit or his or her person or to exhibit the license upon demand of any officer or customer or prospective vendee shall be cause for revocation of such license.

(3) LICENSE APPLICATION PROCESS.

(a) APPLICATION. Any person desiring to operate a mobile food establishment shall apply for a license on a form promulgated by the City Clerk and pay the proper license fee for each mobile food establishment managed by the person. The Clerk shall forward the application to the Police Department for review. If the Police Department approves the application, the Clerk shall issue the license to the applicant.

(b) APPLICATION DENIAL. An applicant of a mobile food establishment may be denied where:

1. The circumstances of a pending criminal charge against the applicant substantially relate to the licensed activity.

2. The applicant has been convicted of any felony, misdemeanor or other offense, the circumstances of which substantially relate to the circumstances of the particular job or licensed activity.

3. The applicant made a false statement on the application.

4. The applicant is under 18 years old.

5. The applicant is found to have unpaid civil judgment(s) which relates to the duties and responsibilities of the permitted occupation which shall be determined by the nature and the amount of the judgment, the relationship of the judgment to the purpose of the permit and the extent that the permit would allow someone to engage in further activity that would lead to unsatisfied civil judgments.

(c) APPEAL. If the Police Department denies an application for a license, the applicant may appeal within 15 days after the Clerk mails a notice of denial to the applicant. If the applicant files a timely appeal with the Clerk, the Clerk shall schedule an appeal hearing before the Protection and Welfare Committee.

**GENERAL ORDINANCE NO. 12-15**

**Page 4**

(d) HEARING BEFORE COMMITTEE. The Committee may approve any application placed on its agenda only if the applicant is qualified under this section and may place conditions upon approval. The Common Council shall affirm, reverse or modify the Committee's decision.

(e) ISSUANCE. The Clerk shall issue the mobile food establishment license if ~~the applicant has completed the application requirements and has been approved by the Police Department.~~

(4) LICENSE SUSPENSION OR REVOCATION. The Common Council may revoke or suspend, no less than 10 and not more than 90 days, any license under this subchapter for violation by any vendor or the vendor's employee or agent of any provision of this chapter or any State law or City ordinance which renders future vending contrary to the public health, safety or welfare, or for fraud or misrepresentation in solicitation under this chapter.

(5) INSURANCE.

(a) LIABILITY INSURANCE. The license holder under this subchapter shall have in force liability insurance for each mobile food establishment.

(b) PROOF OF INSURANCE. As evidence of liability insurance, the licensee shall furnish a certificate of insurance, on a form acceptable to the City, evidencing the existence of adequate liability insurance naming the City of Green Bay, its employees and agents as additionally insured in an amount not less than \$1,000,000. Whenever such policy is cancelled, not renewed, or materially changed, the insurer and the licensee shall notify the City of Green Bay by certified mail.

(6) CONDUCT OF BUSINESS.

(a) REGULATIONS GENERALLY. The following regulations shall apply to mobile food establishments during the regular order of business:

1. 5. No mobile food establishment shall conduct business at a stationary location for a duration exceeding four hours per location per day.

6. 7. A vehicle or other on-street unit which is operated for the purpose of selling food from the unit shall be operated only by a person who has obtained a license or by the employee of the person who obtained a license under this subchapter.

8. No person may sell or vend any item upon any premise(s) if there is placed signage prohibiting the activity.

9. All business activity relating to the mobile food establishments in the public right-of-way shall be conducted from the curbside of the vehicle at all times.
