FURTHER RESOLVED, that the Bank be and is hereby authorized to comply with any process, summons, order, injunction, execution, distraint, levy, lien, or notice of any kind (hereafter called "Process") received by or served upon the Bank, by which, in the Bank's opinion, another person or entity claims an interest in any of these accounts and Bank may, at its option and without liability, thereupon refuse to honor orders to pay or withdraw sums from these accounts and may hold the balance therein until Process is disposed of to Bank's satisfaction.

FURTHER RESOLVED, that any one of the persons holding the offices of this Municipality which may be designated are hereby authorized (1) to receive for and on behalf of this Municipality, securities, currency or any other property of whatever nature held by, sent to, consigned to or delivered to the Bank for the account of or for delivery to this Municipality, and to give receipt therefor, and the Bank is hereby authorized to make delivery of such property in accordance herewith, (2) to sell, transfer, endorse for sale or otherwise authorize the sale or transfer of securities or any other property of whatever nature held by, sent to, consigned to or delivered to the Bank for the account of or for delivery to this Municipality, and to receive and/or apply the proceeds of any such sale to the credit of this Municipality in any such manner as he/she/they deem(s) proper, and the Bank is hereby authorized to make a sale or transfer of any of the aforementioned property in accordance herewith, and (3) pursuant to Section 34.07, Wis. FURTHER RESOLVED, that this Municipality assumes full responsibility for any and all payments made or any other actions taken by the Bank in reliance upon the signatures, including facsimiles thereof, of any person or persons holding the offices of this Municipality which may be designated regardless of whether or not the use of a facsimile signature was unlawful or unauthorized and regardless of by whom or by what means the purported signature or facsimile signature may have been affixed to any instrument if such signatures resemble the specimen or facsimile signatures provided to the Bank, for refusing to honor any signatures not provided to the Bank, for honoring any requests for the transfer of funds or money between accounts or for the instructions from the persons designated in the foregoing resolutions regarding security for the accounts notwithstanding any inconsistent requirements of this Municipality not expressed in the foregoing resolutions, and that this Municipality agrees to indemnify and hold harmless the Bank against any and all claims, demands, losses, costs, damages or expenses suffered or incurred by the Bank resulting from or arising out of any such payment or other action.

FURTHER RESOLVED, that the Clerk of this Municipality be and hereby is authorized and directed to certify to the Bank the foregoing resolutions, that the provisions thereof are in conformity with law, the names, incumbencies and specimen or facsimile signature(s) on signature cards of the officer or officers named therein, and

that the foregoing resolutions and signature cards and the authority thereby conferred shall remain in full force and effect until this Municipality notifies the Cashier of Bank to the contrary in writing; and the Bank may conclusively presume that such resolutions and signature cards are in effect and that the persons who may be identified from time to time as officers of the Municipality have been duly elected or appointed to and continue to hold such offices.
