### **Velp Avenue Areawide Plan**

**Green Bay, Wisconsin** –Mayor Jim Schmitt and Green Bay City officials would like to invite interested community members to attend the City of Green Bay Planning Commission meeting for the Velp Avenue Areawide Plan. This meeting will be held on **Monday, May 22, 2017, at 6:00 P.M. in room 604 of City Hall**, located at 100 N. Jefferson Street.

This area, which runs along Velp Avenue, is bounded by Military Avenue on the west and Atkinson Drive on the east. The area was historically developed with a mixture of commercial, residential and industrial uses. The City will use this Areawide Plan to guide future development in this area.

The previous three meetings introduced the community to the planning process, outlined the historical character of the area, conducted exercises to gather public opinion, identified various ways that interested stakeholders can become involved and presented the draft plan. The information gathered has been used to revise the Areawide plan. Public input given at this meeting will be used to finalize the Areawide Plan before seeking approval from City Council.
