MEDIA RELEASE

Temporary Closure of CityDeck and Leicht Park Boat Docks

(Release date: Thursday, July 13, 2017)

The Green Bay Public Works Department is announcing the temporary closure of boat docks at both CityDeck and Leicht Park starting today. The purpose for the closures is due to the high water level at those docks making access difficult. Once water levels return to normal levels, the boat docks will reopen. All other park activities will continue as normal.
