### **Oak Grove Neighborhood Trail Dedication**

(GREEN BAY, WI) On Monday, October 24 at 11 am, the Oak Grove Neighborhood Association will host a dedication for the “Oak Grove Connecting Trail.” Two years ago, the Association approached Alders Nennig, Nicholson and Tim DeWane to help expand the trail for the enjoyment of the community.

The trail will serve two purposes, first to connect the east side neighborhoods to Baird Creek and East River trails, and to open Sullivan Park for future development and park amenities.

The dedication will take place in Sullivan Park, off Deckner Ave.
