Early In-Person Absentee Polling Begins on 3/19 at Transit

(Green Bay, WI) Beginning today March 19, 2020, Early In-Person Absentee Polling will begin at Green Bay Metro, located at 901 University. Voting will be available Monday through Friday, March 23, 24, 25, 26, 27, 30, 31 and then April 1, 2 and 3, during the hours of 10 am to 2 pm.

The voting location is on the west side of the building, in the main lobby. There is protective glass between the voter and the election inspector, but not between voters. Therefore we are going to limit capacity in the waiting room to four people at a time.

Furthermore to maintain protective practices (social distancing, hand-washing etc.), we ask that voters bring their own black ball-point pens to use on the ballots. We ask that voters do not bring gel pens, felt-tipped pens, or pens other colors than black. There will be single-use pens available.

Voters will need to bring valid photo identification in order to vote.

New registrants may register to vote at this time.

Parking is located in the visitor lot, which can be accessed as driver heads east on University Avenue. There are handicapped-accessible stalls in this lot.

The City of Green Bay, along with Governor Evers' office, strongly urges voters to request an absentee ballot. Voters may request an absentee ballot up to the Thursday before election day, that is, the last day to request an absentee ballot is April 2, 2020.

Please visit www.myvote.wi.gov to check your registration, request an absentee ballot and verify the types of acceptable identification for voting purposes.

Hope you're well, Alders.

Update on in-person absentee voting: We are planning to make Metro Transit available for this purpose M-F from 10-2. Voting will take place in the public area on the West side of the building. Clerk staff will be behind glass, and we will be encouraging folks to bring their own pens (but will have our own if necessary). Capacity will be limited to 4 people in the waiting area at one time. Please don't notify any constituents just yet, however. Clerk staff are still setting up, so the news will go out when they're ready.

Please continue to encourage folks to vote by mail. These are limited hours and the space is limited, too.

Take care of yourselves, and thanks again for everything you do.
