I have no idea who is spreading the rumor. I have talked to each Chief Inspector and the Chief of Staff has talked to the Police that are out there. There is curbside voting. Some think they can just drive up and vote. We don't have drive thru voting. People still have to wait their turn.

Hi Kris,

I know you're swamped but I'm just trying to shoot down a rumor that Green Bay was not permitting curbside voting. Any idea where that is coming from?
