Dear Kris:

Under the Wisconsin Open Records Law, §19.31 et seq., I am requesting the attached relevant records. These records are related to the local absentee ballot processes and procedures.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. I can be reached at (262) 374-9141. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the local processes and procedures in Green Bay and will further ensure the right of the citizens of Wisconsin to a free and fair election. This information is not being sought for commercial purposes.

I would request a response in writing, within the 5 days described by law, if you intend to deny this request. Further, I would like to request partial records if all records cannot be provided at once. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect to receive answers to this request.

If you deny any or all of this request, or redact any portions of a public record, please list what information was exempted or redacted, and cite each specific exemption you feel justifies the refusal to release said information. I also wish to be notified of the appeal procedures available to me under the law with regard to any potential denials and/or redactions.

Please send relevant responses to this request to [akrause@donaldtrump.com](mailto:akrause@donaldtrump.com). Thank you for your assistance in this matter.

Sincerely,

Ashley L. Krause
