# Can use REAL-ID compliant and non-compliant driver licenses and ID cards for voting

## About REAL ID

If you plan to fly within the U.S., visit a military base or other federal buildings, the Department of Homeland Security will require identification that is REAL ID compliant (or show another acceptable form of identification, such as a passport) beginning October 1, 2020. Wisconsin DMV issues REAL ID compliant products (marked with a ) in accordance with the federal REAL ID Act of 2005. Don't get left behind without a REAL ID.

## What it means for you

- If it's time to renew your driver license or ID, you can upgrade to a REAL ID-compliant card for no additional fee (if the upgrade takes place at the same time as your renewal).
- If your current driver license or ID will not expire before 2020, and you wish to obtain a REAL ID-compliant card, the cost of a duplicate card will apply.
- Wisconsin offers both REAL ID-compliant and non-compliant driver licenses and ID cards. The cards look similar; REAL ID-compliant are marked with a , while non-compliant cards are marked "NOT FOR FEDERAL PURPOSES." Should you choose to continue to hold a non-compliant card, you will need another form of identification to board a plane or access federal sites.
- If you have a valid U.S. passport or another acceptable form of federal identification, you can use that for identification, in place of a REAL ID-compliant driver license or ID card. View list of Transportation Safety Administration approved documents.
