Subject: response to GOP hearing/Empower WI article on CTCL?

Hi Mayor Genrich,

I'm working on a story about the emails publicized yesterday via Empower Wisconsin and discussed today at a legislative hearing by attorney Erick Kardaal.

I know your office has responded to this elsewhere, but Attorney Kardaal is arguing that your office granted CTCL too much power to administer the election, to the point that it broke the law. Kardaal also took specific issue with a contract that granted the CTCL's Michael Spitzer-Rubenstein access to the

hotel ballroom where absentee ballots were being stored. Since the allegations were raised, a handful of GOP lawmakers have called on you to resign.

Do you have any responses to those allegations or comments? Any issues with what they've put out there or anything they left out?

Thanks,
Shawn
