The Parks, Recreation & Forestry Department Youth Dance Program is designed to give all students an opportunity to learn the fundamentals of Tap, Ballet, Jazz, Pom, and movement. Through this program, we hope your child(ren) will develop various character traits such as poise, confidence, and a positive attitude. The Youth Dance Program is a non-intimidating program that encourages socialization, basic fundamental skill, and fun!

GENERAL RULES

Before each class, please make sure your child checks in with the Attendant. Children should arrive no sooner than 15 minutes prior to the start of their class.

Students tend to be more successful when parents congregate in waiting areas. However, parents will be allowed to watch their child on the first class of each month.

As a general rule of thumb, classes will be cancelled due to inclement weather when the Green Bay School District cancels classes/after school activities. An email notification will be sent to parents. Please note, we are unable to give refunds for these cancellations or if a student misses class.

Any student missing more than 3 consecutive weeks of lessons (without being excused) will risk being dropped from the class.

All transfer requests (from one class to another) will be subject to space availability and approval by the Recreation Supervisor.

DRESS & EQUIPMENT

Please wait until after the first day of class to purchase any dance attire. Your instructor will discuss some options with you during this time.

There will be no mandatory participant dress requirements, including footwear, for any dance class! If a leotard is desired, parents will be responsible for the purchase price. Tap shoes are encouraged for tap classes. Jazz shoes are encouraged for jazz, and pom classes.
