

<b>CITY OF GREEN BAY DEPARTMENT OF PUBLIC WORKS STANDARD OPERATING GUIDELINES</b>	
<b>Title:</b> JOB VACANCIES	<b>Guideline Number:</b> DPW SOG 6
<b>Initial Effective Date:</b> June 26, 2013	<b>Revision Date:</b> April 6, 2018

This guideline applies to all represented employees of the Department of Public Works (DPW) Operations Division.

**Definitions:**

Vacancy. A vacancy is a new or existing position in the table of organization that is deemed by the Department Head or designee to be vacant and available to be filled. At the discretion of the Department Head and with Human Resources’ authorization, internal movement within the department may occur prior to Human Resources announcing a vacancy.

Notice of DPW Operations Division Job Opening. This is a job posting prepared by Human Resources and posted within the DPW Operations Division for internal movement prior to Human Resources announcing a vacancy through NeoGov. However, at the discretion of the Department Head or designee, a City-wide announcement may be posted through NeoGov concurrently with the DPW Operations Division announcement.

Notice of Vacancy (Transfer Opportunity). A City-wide job announcement prepared by Human Resources, which provides notice to all City employees of a vacancy and is posted through NeoGov. At the discretion of Human Resources, an external recruitment may occur simultaneously with the Notice of Vacancy.

**Procedure:**

Process for Filling Vacancies. Regular DPW employees in good standing may seek a job vacancy, except that new employees with less than 12-months of City employment will not be eligible for a transfer unless there are no qualified candidates with more than 12-months of City employment.

For positions that are regularly assigned to a day shift and night shift (e.g. – Operator 1: Sweeper/Flusher, Mechanic, Mechanic Foreperson, BMT) the vacancy will be offered first, by seniority, to current employees in the same job title to move from day shift to night shift or vice versa, if the incumbent has the skills to fill the position. Note that a Mechanic and Mechanic Foreperson do not hold the same job title.

Laborer vacancies will be filled by Human Resources through the NeoGov process. All positions above the level of Laborer will be posted in accordance with the following process. If it is

determined that Laborer vacancies will be filled from within the department, the vacancy will also be posted in accordance with the following process:

- The “Notice of DPW Operations Division Job Opening” will be posted only at Public Works facilities for a minimum of five (5) work days solely for DPW Operations Division employees.
- Employees interested in the vacant position must provide written notice of their interest to the Superintendent prior to the posting deadline date.
- The Superintendent or designee will review all candidates’ backgrounds.
- An interview will be scheduled to assess the candidate’s skills and abilities for the position if there is more than one candidate who meets the criteria of the position.
- The criteria for selection will be based on, but not limited to:
  - Relevant work experience
  - Work performance
  - Applicable education and/or training
  - Required skills, knowledge and abilities of the position
  - Credit for length of service with the City
  - Other competencies as deemed appropriate
- A base set of relevant questions will be used for the interviews to maintain consistency. Candidate interviews will typically be conducted by the Superintendent or designee, one other DPW management staff member, and a Human Resources representative
- The most qualified candidate will be selected for the position.
- If two or more candidates are equally qualified with respect to the competencies desired for the position and have demonstrated equal ability and skills through past performance, seniority will prevail.
- If management is unable to fill a vacant position internally, the Human Resources Department will proceed with the NeoGov recruitment process to fill the vacancy with candidates outside of the Public Works Department.

**Approval:**

Department Head: /s/ Steven Grenier	Date: April 6, 2018
Human Resources Director: /s/ Joe Faulds	Date: April 6, 2018
