

Throughout July, the Green Bay Parks, Recreation and Forestry Department will be celebrating National Park and Recreation Month, through using the theme #DiscoverJuly. We challenge you to take advantage of this celebration by exploring all facets of this unique and exciting department.

Adventure Cards

One way you can take part in the celebration is by filling out a #DiscoverJuly adventure card. Cards can be printed out or you can stop by City Hall, any of the three pools, Bay Beach Amusement Park or Bay Beach Wildlife Sanctuary to get one. Once you have visited all five places and have each place signed off, come back to Room 510 at City Hall to receive a prize and be entered into a drawing.

Who can sign off on the card?

- **Bay Beach** – Anyone who is working at the ticket counter at the front of the park by the parking lot or anyone who is working at the ticket counter by the Zippin' Pippin'
- **FIT in the Parks** – Any of the site supervisors. Here is the link to the class schedule:
- **Green Bay pool** – Anyone who is working at the front desk of Colburn Pool, Joannes Aquatic Center or Resch Aquatic Center
- **Playground Program** – Any Playground Leader from any of the 36 Playground Programs. The parks with playground programs can be found here: <https://greenbaywi.gov/397/Supervised-Playground-Program>.
- **Wildlife Sanctuary** – Anyone working in the Nature Center

Follow Us On Social Media

We will frequently be posting about #DiscoverJuly throughout the month, so make sure you follow us on all three of our social media platforms.
