The City reserves the right to accept or reject any or all Proposals submitted, in whole or in part, and to waive any informalities or technicalities, which at the City's discretion is determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any Proposer responding to this request. The City expressly reserves the right to reject any and all Proposals responding to this invitation without indicating any reasons for such rejection(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

1.16 Withdrawal or Revision of Proposals

Proposers may, without prejudice, withdraw Proposals submitted prior to the date and time specified for receipt of Proposals by requesting such withdrawal before the due time and date of the submission of Proposals. After the due date of submission of Proposals, no Proposals may be withdrawn for a period of 90 days or as otherwise specified or provided by law. Proposers may modify their Proposals at any time prior to opening of Proposals.

1.17 Non-Restrictive Specifications and Vendor Alternates

Specifications are intended to define the general level of quality and performance of this service and not to restrict competition. Vendors may offer one or more alternates with lesser or greater features, however the City reserves the right to make its selection based on the best interest of the City. Vendors offering alternates shall submit, with their proposal, an itemized comparison with this specification, documenting equivalence for quality, performance, etc. Failure to identify exceptions or deviations in this manner may be a basis to declare the proposal as non-responsive. If in your opinion, any of the specifications, terms and conditions of this RFP prevents you from offering a proposal, consideration will be given to a Vendor's request for change.

1.18 Non-Material and Material Variances

The City reserves the right to waive or permit cure of nonmaterial variances in the offer if, in the judgment of the City, it is in the City's best interest to do so. The determination of materiality is in the sole discretion of the City.

1.19 Public Records

Proposers are hereby notified that all information submitted in response to this RFP may be made available for public inspection according to the Public Records Law of the State of Wisconsin or other applicable public record laws. Information qualifying as a “trade secret”—defined in State of Wisconsin Statutes—may be held confidential.

Proposers shall seal separately and clearly identify all information they deem to be “trade secrets,” as defined in the State of Wisconsin Statutes. Do not duplicate or co-mingle information, deemed confidential and sealed, elsewhere in your response.

S. 19.36(5)

(5) TRADE SECRETS. An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90(1)(c).

s. 134.90(1)(c)

(c) “Trade secret” means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a proposal in its entirety, price proposal information, or the entire contents of any resulting contract. The City will not provide advance notice to Proposers prior to release of any requested record.

To the extent permitted by such laws, it is the intention of the City to withhold the contents of Proposals from public view—until such times as competitive or bargaining reasons no longer require non-disclosure, in the City’s opinion. At that time, all Proposals will be available for review in accordance with such laws.

1.20 Contract Quantities

The estimated annual quantities identified within this RFP are for proposal purposes only and are based on historical data. The City does not guarantee to purchase any specific quantity or dollar amount. Proposals that state the City must guarantee a specific quantity or dollar amount may be disqualified.

1.21 Service Reports/Documentation

The successful Proposer shall furnish to requesting department a Service report summarizing details such as the date service was completed, shall include detailed description of service that was completed, clientele serviced (if applicable), dollar amount of service its total quantities and in total. The City reserves the right to request detailed service reports at any time and request additional information per Federal Regulation and other details needed for audit of the usage of awarded funds.

1.22 Proposal Evaluation

The City’s evaluation committee will consist of members who have been selected because of their special expertise and knowledge of the service(s) that are the subject of this RFP. Proposers may not contact members of the evaluation committee except at the request of the Purchasing Department.

The proposals will be initially reviewed to determine if mandatory requirements are met. Failure to meet mandatory requirements shall result in the proposal being rejected. In the event that all Proposers do not

meet one or more of the mandatory requirements, the City reserves the right to continue the evaluation of the proposals that most closely meet the mandatory requirements of this RFP.

1.23 Proposal Scoring

Accepted proposals will be reviewed by an evaluation committee and scored against the stated criteria. The committee may review references, request interviews/presentations, conduct demonstrations and/or conduct on-site visits. The resulting information will be used to score the proposals. The evaluation committee's scoring will be tabulated and proposals ranked based on the numerical scores received. As interviews/presentations may not be conducted, it is in the Proposers best interest to submit a complete, concise and comprehensive Proposal. The submitted Proposal may be the only information the Evaluation team may review for scoring and award.

Proposals will be scored using the following criteria:

Description	Points
Alignment with RFP	30
Organization Capacity	25
Impact in the Community	20
Budget	15
Staff Qualifications	10
TOTAL	100

1.24 Award and Final Offers

Award will be granted in one of two ways. The award may be granted to the highest scoring responsive and responsible Proposer after the original evaluation process is complete. Alternatively, the highest Proposer or Proposers may be requested to submit best and final offers. If the City requests best and final offers, they will be evaluated against the stated criteria, scored, and ranked by the evaluation committee. The award will then be granted to the highest scoring Proposer following that process. However, a Proposer should not expect that the City will request a best and final offer. After an award is made, a proposal tabulation summary will be available through DemandStar. Proposal results will not be given over the telephone. Award will be based on overall best value to the City and not based solely on lowest price.

1.25 Partial Award

Unless otherwise noted, it will be assumed that Proposers will accept an order for all or part of the services priced. It is the City's intention and reserves the right to award to one organization.

1.26 Negotiate Contract Terms

The City reserves the right to negotiate the terms of the contract, including the award amount, with the selected Proposer prior to entering into a contract. If contract negotiations cannot be concluded successfully with the highest scoring Proposer, the City may negotiate a contract with the next highest scoring Proposer.

1.27 Budget- Additional Cost of Funds Needed (above the \$80,000)

Purchasing will score the cost proposals by prorating with the lowest additional cost of funds needed if any (above the \$80,000 given per this RFP). The formula is as follows: Calculation of points awarded to subsequent proposals will use the lowest additional cost of funds needed proposal amount as a constant numerator and the dollar amount of the firm being scored as the denominator. This number is then multiplied by the number of points given to the cost section of the RFP, resulting in the cost proposal score. If the \$80,000 is sufficient to complete the activity, then you would enter zero (\$0) dollars in Additional Cost of Funds needed to complete this activity.

$$\frac{\text{Lowest Cost of Additional Funds Needed Proposed}}{\text{Constant}} \times \text{Maximum Points Assigned to Cost} = \text{Score}$$

Other Cost of Additional Funds Needed Proposed Cost

Cost Proposals shall be in a separate sealed envelope and submitted within the proposal package. The outside of the envelope should clearly state "Cost Proposal" and the name of the Proposer.

1.28 Tax Exempt

The City of Green Bay as a municipality is exempt from payment of federal excise taxes and State of Wisconsin taxes per Wisconsin statute 77.54(9a). Federal Tax ID #39-6005458. A completed Wisconsin Department of Revenue Form S-211 (R.2-00) can be requested through the Purchasing Department. Our tax-exempt number is ES 047920.

1.29 Appeals Process

Notices of intent to protest and protests must be made in writing. Protestors should make their protests as specific as possible and should identify Wisconsin Statutes or City of Green Bay ordinance provisions that are alleged to have been violated.

The written notice of protest must be filed with Calvin Winters, Procurement Manager, Green Bay, WI, 100 North Jefferson St. Room 101, Green Bay, WI 54301, and received no later than 72 business hours after the intent to award notice is issued.

1.30 Proposers Responsibility

Proposers shall examine this RFP and shall exercise their judgment as to the nature and scope of the work required. No plea of ignorance concerning conditions or difficulties that exist or may hereafter arise in the execution of the work under the resulting contract, as a consequence of failure to make necessary examinations and investigations, shall be accepted as an excuse for any failure or omission on the part of the Proposers to fulfill the requirements of the resulting contract.

2 SCOPE OF SERVICES

2.1 Background

In response to combating the effects of COVID-19, the U.S. Department of Housing and Urban Development (HUD) allocated special Community Development Block Grant (CDBG) funds for Entitlement Entities. The City of Green Bay will receive \$595,446 in Community Development Block Grant (CDBG-CV) Entitlement funds to be used to prevent, prepare and respond to COVID-19. This allocation was authorized in the Coronavirus Aid, Relief, and Economic Security (CARES) Act by President Trump on March 27, 2020 in response to the growing effects of this historic public health crisis. The CARES Act made available \$5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds. **These funds shall be used for Organizational facilities servicing homeless and or low income residents, residing in the City of Green Bay only.**

The City of Green Bay has allocated a portion \$80,000 of these CARES funds to Homelessness Assistance Programs that address COVID-19 related community needs. The CDBG-CV funds allocated under the CARES Act may be used for a range of eligible homelessness assistance activities that prevent and respond to the spread of infectious disease coronavirus 2019 (COVID19). The proposed activities must meet the National Objective as required by CDBG regulation:

- Benefit low-and moderate income persons

Qualifying for CDBG Funds: In order to qualify for CDBG funds, a project or program must meet national objective of the CDBG program (listed above). The project or program must be listed as an “eligible” activity in the CDBG statute found at 24 CFR 570.

Eligible Applicants: Applicants must be a unit of government or a non-profit 501(C) (3) charitable organization and have an active DUNS #. (Why does an organization need a DUNS number to respond to the RFP? A DUNS number is required by the federal government, and CDBG funds are provided to the City by the U.S. Department of Housing and Urban Development (HUD). Only responses with a unique DUNS number will be accepted.)

Ineligible CDBG Activities: The general rule is that any activity not specifically identified as eligible is considered ineligible. Listed below are specific activities, which are ineligible:

- New housing construction.
- Building used predominantly for the general conduct of government (except for removal of architectural barriers) and other general government expenses.
- Political activities.
- Purchase of furnishings, motor vehicles and equipment.
- Operating and maintenance expenses, including repair of public facilities and improvements.
- Income payments.
- Improvement to buildings used for religious activities.

Activities Must Serve and Eligible Population: Low- and Moderate- Income Guidelines, at least 51% of the funded activity participants must meet low or moderate-income guidelines as determined by HUD for the Green Bay standard metropolitan statistical area (MSA), or,

The activity must benefit a clientele who are generally presumed to be persons of principally low and moderate incomes. The following groups are presumed by HUD to meet this criterion: abused children, battered spouses, elderly persons, handicapped persons, homeless persons,

illiterate persons, migrant farm workers, persons with developmental or mental disabilities, persons living with HIV/AIDS, and persons with mental or emotional disturbances; or, Information on family size and income must be provided that shows that at least 51 percent of the clientele are persons whose family income does not exceed the low and moderate income limit; or

The activity must have income eligibility requirements which limit the activity exclusively to low and moderate income persons; or

The activity must be of such a nature, and be in such a location, that it may be concluded that the activity's clientele will primarily be low and moderate-income persons. An "area benefit" survey, as outlined in the CDBG program, may be required by the applicant.

The City of Green Bay is looking for the following types of homelessness activities:

- Engage homeless individuals and families living on the street;
- Improve the number and quality of emergency shelters for homeless individuals and families;
- Help operate these shelters;
- Provide essential services to shelter residents;
- Prevent families and individuals from becoming homeless.

The Activity must address a community homelessness issue that is related to the COVID-19 Pandemic.

- Proposals shall provide a clear and concise description of the activity and how the activity prevents, prepares for and/or responds to issues created by the COVID-19 Pandemic.
- Proposals shall address any public health and safety measures that are needed to comply with Executive Order 20-12
- Proposals shall include a budget and a timeline for the activity.
- Proposals shall include any leveraged funding from other sources in the budget.
- Proposals shall include your reporting format. With submittal of your invoice, Organization shall submit documentation which shall have details of date of service, detailed description of service, who performed the service, where the service was performed, Clientele this service benefited and any other information deemed necessary by the RDA department, City of Green Bay, for the record keeping of these funds to the Federal Government.

2.2 Quality of Services

Proposals should provide an estimate for the number for individuals or households that will benefit from the proposed activity.

2.3 Scoring Criteria

Accepted proposals will be reviewed by an evaluation committee and scored against the stated criteria. The committee may review references or request oral presentations. The City's intention is to procure the most functionally complete and cost-effective application which will provide the flexibility to meet our current and future needs. The total price of the proposed solution for the City's applications will be considered in the final analysis, but this will not be used as the sole

consideration in the selection of the “best” solution. Ultimately, the City will award the contract to the responsive and responsible Vendor whose overall proposal offers the best value for the City, as determined pursuant to the evaluation criteria as set forth herein. The City reserves the right to award in part or whole. It is the City’s intention to award this Proposal to one vendor. The proposals will be scored by a committee. They will select the award based on the following criteria. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer," "vendor," and "contractor." The phrases "request for proposal," "request for bids," "request for quotes," "quote," "request," "invitation," and "solicitation" shall also be synonymous.
As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.
2. Entire Agreement, Order of Precedence. These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFB/RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall along with these Standard Terms and Conditions, the City's request for proposals/bids, the version of the vendor's response/bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute the entire agreement ("Contract") and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.

If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals/bids, the version of the vendor's response/bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.

3. Bid Selection. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.

The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

4. Addenda. Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
5. Price Proposal. All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
6. Price Inclusion. The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.

For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
 - b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed

11. Cancellation/Termination.
 - a. The City reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds.
