- **Sec. 10-460. - Public vehicle regulations.**

The owner and operator of a public vehicle are both responsible for ensuring compliance with this section.

(1)*Maintenance.* No person may operate a vehicle registered under this article unless the vehicle complies with all the conditions necessary to become a licensed public vehicle at the time it is in operation.

(2)*Receipts.* Upon a customer's demand, the operator of a public vehicle shall provide a receipt at the time of payment in legible type or writing containing the firm name, operator's name and number, any items for which the charge is made, the total amount paid, and the date of payment. The receipt may be provided in electronic form if payment is made by electronic means.

(3)*Rates.* Public vehicles may charge for service at a rate per unit of time, a rate per unit of distance, a flat rate per ride, or by using a taximeter.

a. *Report to Clerk.* The owner or operator of a public vehicle shall at all times maintain a schedule of rates on file with the City Clerk and may not charge any rate higher than the rate on file with the City Clerk.

b. *Taximeters.* A public vehicle may use a taximeter to determine the cost of service, subject to the following regulations:

1.No person shall use or permit to be used upon any public vehicle a taximeter which is in error more than four percent in efficiency and more than one percent in excess interval under test.

2.After sundown, the face of the taximeter shall be illuminated by suitable light so arranged as to be readily discernible to the passengers.

3.The case of the taximeter shall be sealed and have its cover gear intact.

4.Upon complaint to the Clerk's Office, the taximeter subject to complaint shall be inspected by the Inspection Department.

(4)*Operator ID display.* No person may operate a public vehicle unless the person who is licensed to operate it is displaying their operator's license.
